

**YOSEMITE CHAPTER OF THE  
INTERNATIONAL CODE COUNCIL**

In association with Sierra Chapter AIA presents:

## ***Fundamentals of CalGreen and Forum***

This ½ day seminar/forum will cover residential and non residential requirements of the 2010 CalGreen and is geared toward design professionals, builders, developers and code officials. Doug Hensel, Assistant Deputy Director from the State of California Department of Housing and Community Development will speak regarding the scope, function and intent of this new code and discuss the residential requirements. David Walls, Executive Director of the State of California Building Standards Commission will speak regarding background, development and the non residential requirements. An interactive panel discussion will be held after the speakers by regional Building Officials regarding the standardization of regional CalGreen processes and procedures.
